

REMARKS

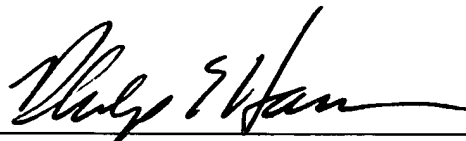

The specification has been amended to include cross reference to related applications, and the language of publication of the PCT is provided in accordance with 37 CFR 1.78(a)(2).

The claims have been amended to present the subject matter in the proper format for US examination.

An abstract has been added, since it has been applicants experience that the abstract is usually lost in conveying the PCT into the US.

Applicants respectfully request examination and consideration of now pending claims 45-63.

Respectfully submitted,

Philip E. Hansen
